It's your time—Glow and Grow!

Golf Outing

Four person teams consisting of two men and two women. Game is “best ball.” One avid golfer will be team captain and will help those learning the game. When registering, indicate your skill level so we place you on a team that can help make the game more enjoyable straight off the first tee. **FOUR!**

Speed Dating

Events for ages 30-45 and 46-59. Pre-registration prior to Sept 5th will ensure participation. We use the term speed dating only because it's recognized nationally. This is an opportunity to get to know someone in 6 minutes, on the surface, then decide if there is a connection or chemistry. Dating begins when two people discuss and acknowledge their mutual interest in getting to know one another better. Start as friends, building on it

as a foundational value for a lasting relationship. Each participant will get a tally sheet to check off. If both persons indicate they wish to meet again, we contact them within 48 hours to let them know they have a match and provide each a contact number. As we age ever so gracefully, both men and women alike should not deny themselves an opportunity to meet the man or women of their dreams if their honest and sincere desire is to be in a committed relationship. It's all too easy to get frustrated with the whole dating scene, at any age, these days. We do understand. Life is short. Don't give up the search! Be the chooser.
